Alexander Chernev has done a masterful job of consolidating a comprehensive marketing resource into a very readable, succinct handbook. This should come as no surprise to those familiar with Dr. Chernev’s work. Easily one of my favorite professors at Northwestern, Dr. Chernev has an uncanny ability to distill complex information into a few incisive sentences that crystallizes the essence of a concept. Complete with generous marketing plan samples and innovative frameworks, The Marketing Plan Handbook is a must-have for any serious business professional or MBA student.
