The Historical Fiction Of Mori Ogai (UNESCO Collection Of Representative Works: Japanese Series)

Synopsis

The fiction of Mori Ogai, written after the death of Emperor Meiji in 1912, secured his prominent place in modern Japanese literature. This collection of stories, set in the Tokugawa Period, provide a means for Ogai to deal with contemporary moral and philosophical values and themes.

Customer Reviews

David Dilworth presents the reader with a great compilation of short stories of, arguably, Japan's best author. Each story is masterly crafted with meticulous attention paid to historical detail, and each story is well prefaced, explaining Ogai's philosophic and aesthetic intentions. Either Dilworth or a colleague has made first rate translations in this edition. I would recommend this book to both the scholar of Japanese literature and those who have only a nodding acquaintance with Ogai.
