Las Aventuras De Uuk Y Gluk, Cavernícolas Del Futuro Y Maestros De Kung Fu: (Spanish Language Edition Of The Adventures Of Ook And Gluk, Kung-Fu ... (Captain Underpants) (Spanish Edition)

Synopsis

¡Aquí están Uuk y Gluk, las estrellas de esta graciosa novela gráfica de los creadores del Capitán Calzoncillos! Es el año 500.000 a.C., y Caverlandia, Ohio, el apacible pueblo de Uuk y Gluk, es atacado por la corporación más malvada del mundo, que ha venido desde el futuro para invadir el pasado. A través de un misterioso portal del tiempo, los chicos y su amigo dinosaurio, Lily, llegan al año 2.222, y luego conocen a un experto en artes marciales que les enseña kung fu. Ahora solo tienen que viajar al pasado, 502.223 años para ser exactos, y salvar al mundo!

Customer Reviews

My kids are bilingual. I encourage them to read books in español. They LOVE this series. The problem is the grammar is terrible. So while I love seeing them excited about reading en español, I am disappointed that they are reading improper grammar. It is as if a Latino native picked up a book that read like this..."Me and Jack are gonna go huntin in the woods." Since Spanish is not my children's first language, I fear they do not recognize the grammatical errors. But they are reading in Spanish!

my kids and I just love Dav Pilkey books in English and what a surprise to find them in Spanish. They are silly funny, even the translation in Spanish is funny. As other reviewers mentioned, the Spanish is not Real Academia de la Lengua Espanola and yes, some words are misspelled but you can't beat the fact that your kids actually want to read. Specially, for parents who are raising bilingual kids, it's a plus they actually are eager to read books in their second language. If you read David Pilkey in English, it is the same story, misspelled words and some strange grammatical errors. Bare in mind it's a book gear towards 6 or 7 year olds, that are learning their way through the language. They can relate to the books because they actually make some of the same mistakes when writing. I would definitely recommend this books for leisure reading but not for learning academic Spanish.
