

Synopsis

Have you had a Lap-Band surgery but did not get the results you were expecting? Are you currently researching alternative surgical options? Or are you looking to avoid another surgery and instead get back on track with your tool? Possibly Lap-band to a gastric sleeve? Or a gastric bypass? In his much anticipated book, Dr. Duc Vuong, the Support Surgeon, delves into these topics and explains the possible medical tests you might have to undergo, and insurance issues involved. He also discusses the different weight loss surgery alternatives for revision of your gastric band, their technical difficulties, and the pro's and con's of each surgery. With all of this plus easy-to-understand illustrations, you will be able to make a more informed decision. Dr. Duc Vuong is an internationally renowned bariatric surgeon, who is the world's leading expert in education for the bariatric patient. His intensive educational system has garnered attention from multiple institutions and medical societies. His passion in life is to fill the shortage of educational resources between patients and weight loss surgeons. Dr. Vuong was featured in TLC's hit show, 900 Pound Man: Race Against Time, and is currently working on his own weekly television show.
