Financial Management For Nurse Managers: Merging The Heart With The Dollar (Dunham-Taylor, Financial Management For Nurse Managers)

Synopsis

Completely revised and updated, the Second Edition addresses a myriad of financial concepts ranging from staffing and budgeting to measuring productivity and forecasting costs. There are lots of examples and explanation of terminology so that a nurse manager can successfully correspond with her financial department to best cut costs without negatively affecting patient care and outcomes.

Customer Reviews

It really helps in understanding the human service delivery system. It helps nurses to understand better the financial sides of the management aspect.

This book was a requirement for a college class. It is very easy to follow and explains the information in detail. It arrived in a timely manner and was exactly what I had ordered

This text book was in good shape and reasonably priced and a class requirement so I was pleased to have found it.

My book arrived quickly and was in excellent condition like it said it would be! Thank you .

Boring, difficult read
