Breastfeeding A-Z: Terminology And Telephone Triage

Synopsis

Breastfeeding A-Z: Terminology and Telephone Triage, Second Edition provides lactation consultants, nurses, physicians, and nutritionists with evidence-based information on breastfeeding issues that may present as telephone calls. Completely updated and revised with new health policy information, this new edition covers the triage guides for common problems such as breast pain, engorgement, and concerns about milk supply. Also included is an encyclopedia of terms relevant to breastfeeding in both plain language and in medical terminology. Important words direct further questions and help readers clarify the situation and decide the appropriate urgency and disposition of the case. Breastfeeding A-Z: Terminology and Telephone Triage, Second Edition is ideal for new and experienced clinicians.
