Medicine #60 in Kindle Store > Kindle eBooks > Engineering & Transportation > Engineering >

Industrial, Manufacturing & Operational Systems > Safety & Health #62 in Kindle Store > Kindle eBooks > Nonfiction > Science > Technology > Safety & Health

## Customer Reviews

Good book for a safety person to learn about industrial hygiene. However, the equipment shown in the book is dated. There are much more technologically advanced types of monitoring equipment available today. Good book to learn the basics.

Good lab book and was very helpful

Good
