100 Ways To Love Your Husband: A Life-Long Journey Of Learning To Love

Synopsis

What could I tell you about enjoying a great marriage? A happy and loving one. Now that weâ™ve been married for 21 years. Weâ™ve laughed together, cried together, slept together, raised children together, and have walked together for over two decades. Two people whoâ™ve been loving each other for a long time. So women often ask me, they wonder how itâ™s done. What has worked and what has helped us through the hard times? What has brought us this far? And what will keep us loving each other in the years to come? Whether youâ™re newly married, have been together for decades, or still waiting to meet the one God has for you, Lisa Jacobson of Club31Women.com offers practical steps on how you can enjoy a lasting, loving marriage too. Join her on the life-long journey of learning to love each other. You might also be interested in the companion book, *100 Ways to Love Your Wife*, written by her husband, Matthew L. Jacobson.

Customer Reviews

I absolutely LOVE Lisa's writing style. I can't help but feel like I'm enjoying a cup of coffee at her table, absorbing the warmth of her smile with each turn of the page. The love between these two authors (Lisa and her husband Matthew) is not only evident, it's contagious! If you're looking for his

& her devotionals pick these up. Your marriage will thank you!

this brought out some very easy ways to improve my relationship with my husband. Some I knew but forgot about in the daily toil of life. Sometimes I forget he is a real person with emotions and needs like I have. This book reminded me of his gentle humanity that needed me and my affirmation. Men seem so strong and unemotional sometimes that we can forget how much they need the same things we need but different.

I've been married for over 10 years and there is no affection, no matter what I try to do. I finally asked him to leave. I did one thing suggested in the book and for the last five days he has come over in the morning before he goes to work to kiss me and tell me to have a good day. He never does this, not even when he lived here. It's progress. I don't know if it will keep progressing but I'm willing to try.

This book had little to offer. Most pages were one or two sentences. Like a good intentioned friend saying "be a better wife", there was little direction offered. I found it disappointing that there was little to no scripture involved. There were only 3 or 4 verses included, and a few more that were cited, but merely paraphrased in the author's words. I can paraphrase the book in its entirety: Love him, don't sweat the small stuff, greet him at door, pray for him, stick together as friends, keep passion, admit when you're wrong, keep your appearance, listen, be honest and forgive. There you go....the wheel book!

I absolutely devoured this book! As a soon to be bride (76 days to be exact) I am reading anything I can get my hands on about marriage and how to be a good wife. These 100 ways to love your husband is so insightful I can guarantee that I will be re-reading this book for years to come.

Lisa's writings are an incredible resource for women who are trying to be Godly wives. She has great insight and wisdom, and this book is an excellent example. Short, sweet, and to the point, your marriage will be enhanced by applying her recommendations listed here.

I am a mature woman who is not above gentle reminding. Perhaps some might think they already know, and most of us know a lot. God will use this book, like everything else, in His perfect time. The kindle edition makes it easy to refer back I appreciate the spirit in which it was written.

Newlywed or not, it can only be helpful!

This book is a quick read, but is full of wonderful and practical tips to love your husband in ways that are meaningful to him. Not only that, the book is written with a foundation on Jesus. I'm thrilled to heed the advice as I prepare to marry my fiance. I will be sure to return to the book to read the tips over and over again.
