SEAL's Deception (Take No Prisoners Book 8)

Synopsis

Navy SEAL poses as a bodyguard to a sexy CIA operative undercover as the arranged bride of a Saudi prince in search of the biological weapons traced to the Prince's palace. Ben "Big Bird" Sjodin, one of the biggest, baddest SEALs on SEAL Team 10 is tasked to work with a CIA operative on a special project with two of his teammates. All he knows is to meet his contact in a swanky bar in London. From there, he'll receive instructions. Fired from the INTERPOL for an affair with a double agent, Yasmin Evans has a lot to prove in her role as a CIA agent. Her goal? Infiltrate a Saudi palace, find vials of biological weapons of mass destruction, retrieve them and save the world. All with no more support than that of three Navy SEALs. Yasmin's plan? Go undercover as the arranged bride of a Saudi prince with her three bodyguards. Once inside the palace, they will search for and find the deadly weapons. What she doesn't plan on, is the burning attraction she has for the bodyguard who could have been a Norse god in another time, or the Saudi familial factions determined to keep the prince from marrying his arranged bride. Inside an opulent palace, danger and passion flare.

4 1/2 stars!! I have loved this series, and this book was certainly no exception! With its unique storyline, interesting characters, humor, a dangerous mission, intense situations, suspense, and intriguing twists, this is definitely a must read book! A fantastic addition to this amazing series! This is Ben, aka Big Bird, and Yasmin's story. Ben is a Navy SEAL, loyal to a fault, and is not interested in a permanent relationship, until he meets her. Yasmin is with the CIA, formerly an Interpol agent, until she was fired after her former lover and partner was found to be a double agent, in which two Interpol agents died. Yasmin, Ben, and two of his teammates have now been tasked to work together. Their mission is to infiltrate a Saudi palace, retrieve vials of a biological weapon before it can be used for mass destruction, and find out who purchased the vials if possible. I really liked Ben, which I have read about in previous books, but I had a difficult time connecting with Yasmin. I liked that she was strong, independent, able to take care of herself, and understood why she would have a hard time trusting others after what she's been through. However, it was her snarky, "I'm better and stronger than everyone," and "it's my way or no way" attitude that I had problems with. She refuses to trust the SEAL's helping her, but gets offended when Ben states he doesn't trust her? It was things like this that kept me from being able to love her character, even though I did like her to an extent. Just my opinion! Other than that, I loved this book! If you haven't read this series, I suggest that you start from the beginning.
