# The Art Of Nursing: A Practical Introduction

## Synopsis

Using rich nursing narratives from practicing nurses as well as scholarly conceptual sources, this book paints a vivid picture of the diversity and richness embodied in the artful practice of nursing. These stories illustrate the forms of knowledge used by nurses and demonstrate essential nursing concepts, such as care, spirituality, presence, compassion, self-care, and advocacy. Readers will also examine obstacles that can interfere with their successful performance as a nurse and discover ways of overcoming these challenges.

## Customer Reviews

This book has anecdotes about nursing that make for an easy read. I ordered it for a nursing program but would read it on my own time. I would recommend it to anyone who is interested in exploring the holistic aspect of nursing.

thank you it is a very interesting book really helpful when we consider the context im using it . it is very simple , not too complicated. I am enjoying it right now.

The book is pleasurable to read. It makes some nice points about the nursing field. I have been a Registered Nurse for over 10 years so I can relate.

I read this book everyday!! it gives great insight on my assignments and it is really in-depth. Great purchase, love it.

used this book for a nursing class. I loved it. It gives actual cases of people. Its not the usual boring nursing book.
