Customer Reviews

I purchased this book since it is required for my class. Surprisingly, I find it fun to read and there's a lot of good tips to make us better speakers. A skill that is essential for career success and social life.

This textbook is very well and clearly written. It was easy to understand. Considering it was the first college textbook I purchased and read, I was very surprised at how easy of a read it was. Definitely keeping it for future- reference.

wasn't able to download the rental onto my iphone app, pretty much wasted my money..
